

Pool & Spa repairs
are child's play ...
with
Epoxybond®

Pool and spa repairs are quick, easy and inexpensive with Atlas' family of Epoxybond® products:

POOL PUTTY stops leaks and
repairs concrete — **underwater!**

POOL PASTE resets tiles and fixes hairline cracks
in *virtually any surface* — including plastics,
concrete and fiberglass.

CONCRETE POOL PATCH repairs cracks, chips or
spalled surfaces; molds new corners and coping;
and sets anchor bolts — all *in only 10 minutes!*
